MEASE CONTINUING CARE

# Reasons to Come to Mease Continuing Care.

Our therapists understand the special needs of our residents, and all the staff are trained to provide a variety of services to meet your needs.

Mease Continuing Care is close to major hospitals in North Central Pinellas County, as well as many doctors' offices, allowing for easy follow-up visits.

- Joint replacement
- Fractured hip
- Weakness due to pneumonia
- Hip & knee replacement
- Weakness due to other illnesses
- Stroke
- Parkinson's disease
- Post-surgical cardiac rehab
- Vital Stim for swallowing

## OTHER SERVICES

- Social workers on-site
- Interdisciplinary care teams
- Pain management
- Medication management
- Patient education
- Incision care
- Consistent interaction with your physician about your progress

## STEPS TO YOUR WAY HOME

- Physical, occupational, and speech therapy
- Strength training
- Fall prevention
- Mobility training
- Balance training
- Low vision
